

World Mental Health Day 2009

Friday, 9 October, 14.00 to 16.00

Main lobby near the big painting

Staff members from the **Department of Mental Health and Substance Abuse** and invited experts will be on hand to answer questions and pass out caps and bags in recognition of World Mental Health Day.

Come and test your awareness of mental health issues! Ask about the things you always wanted to know but were afraid to ask! Free chocolate!
